## INTELLECTUAL DIMENSION

This area encourages non-chemical creative stimulation, exploration of healthy outlets, engagemment in sober fun, finding fulfillment through returning to familiar activities and discovering new ones. The intellectual dimension is all about learning, growing and having new experiences.

| Put a check mark under each column that applies. Write in your own favorite activities in the space below. |  |  |  |  | Put a check mark under each column that applies. Write in your own favorite activities in the space below. |  |  |  |  |
