

# CeDAR Alumni Service Opportunities:

So, you want to get involved and be of service but you're not quite sure how to start? No problem, I've got you covered. Participating in service-work, especially if you're new to it, may feel uncomfortable, even intimidating. As a wise woman once told me during my early recovery, be willing to have a new experience—it's how we learn and how we grow. Service offers just that. Offered, is a variety of service positions ranging from remote to on-campus and from people-centric to behind-the-scenes. We can also create service roles based on your ideas, skillsets, talents etc.

## Alumni Meetings:

We are always looking for volunteers to lead alumni meetings on a recovery topic of your choice. A list of topic ideas is provided. Also provided is the meeting script and service description. We suggest 30 days of sobriety/clean time to lead a meeting. I will guide you through the process. To sign-up either reach out to me or use this link: [Service Sign-up Sheet - Google Docs](#).

- In-person alumni meeting Tuesdays at 7pm at Great Lawn Park in Lowry
- Virtual alumni meeting Thursdays at 7pm on Zoom
  - We need someone to read a grounding exercise at the start of each meeting. Readings are provided. This is a 1-month service commitment and only for virtual.

## CeDAR Night Live (virtual):

- For speakers, we welcome all pathways to recovery and suggest 1 year in active recovery. CeDAR Alumni and community recovery members are welcome to the virtual stage so you are welcome to refer anyone from your recovery circles—this could be your opportunity to volun-tell your sponsor to do something for a change!
- Join the CNL host team. We are looking for alumni to host CNL meetings which are held on Saturdays at 7pm on Zoom. A host simply begins the meeting by reading the script and introduces the speaker. We suggest 90 days in recovery. By joining the host rotation you would likely host 1 meeting per month.

## Guest Speaking:

- **Early Recovery Panel:** suggested sobriety time is 90 days to multiple years. Join the *in-person* panel with 2-3 other alumni as we discuss the realities of early recovery with current residential patients. Meghan moderates the panel.
- **IOP Spirituality Panel:** suggested sobriety time is 9 months to multiple years. Join the *virtual* panel with 2-3 other alumni or community members as you discuss the role spirituality plays in recovery and how to practically approach it. This panel is offered to IOP patients and is not moderated by a staff member.
- **IOP Guest Speaker:** suggested sobriety time is 9 months to multiple years. Share your story of recovery with our current IOP groups while also speaking to certain topics such as service or recovery planning.

- **Showing up!** Sometimes, service can be as easy as showing up to an alumni meeting, fellowship event, coffee talk or meeting field trip.
- **Sharing.** Sharing at meetings is a great way to be of service. It adds to the conversation, encourages others to and may be just what someone needs to.
